

### Senior Research Entomologist Questionnaire

Name: \_\_\_\_\_

Please respond to the following questions. Your response should include specific examples which demonstrate your skills and experience. Please be concise (no more than 500 words per question).

1. What motivated you to apply for this position?
2. Do you have the legal right to work in the United States?
3. Have you maintained insect colonies and performed insecticidal bioassays? If so, please describe the species and if you were working on small molecule and/or biological active ingredients.
4. Do you have field experience monitoring insect damage, and conducting field trials of chemical and/or biological insecticides? If so, please briefly describe.
5. Do you have familiarity and/or experience working with RNAi-based insecticides? If so, please briefly describe.
6. Do you have moderate to strong skills in insect genomics and bioinformatics? If so, please briefly describe.
7. Are you willing to relocate to the St. Louis Missouri area? How much lead time would be required before you could relocate?
